

# It's a MAD-MAD MADISON World

**MADISON FUNGAMA** is our theme for our Fun@ work. Over 500 Madisonites in our 15 specialist units across India have made FUNGAMA a part of their daily work life.

Some of the fun activities we do-

- **Thank God Its Friday** popularly called TGIF is a theme based weekly activity wherein all our office across the country follow a theme. We have had themes like- Jadoo ki Jhappi Day (employees have to hug one another), Sunshine Day (yellow dress code), Sabko Topi Pehnao Day (wearing head gear), Back to School Day, Chaddi Buddy Day (wearing shorts, capris, etc).
- Our Freshers are also welcomed into the MAD WORLD by making '**Bakras**' out of them and celebrating '**FUCHA DAY**' to showcase their talent either by singing, dancing or imitating colleagues in the office.

- We have a session called '**Tea with Sam**' an informal session between the employees and our CMD. It's not a boring official meeting but a more informal session where a friendly bond is made and the employee gets to know the boss better and the boss gets to know the employee better.
- The teams look forward to any **Birthday** in the office, although we are not sure if the birthday boy or girl actually looks forward to it. All dressed in new clothes the birthday boy/girl gets a good chocolate face mask absolutely free of cost and birthday bumps equivalent to their age. You can imagine the plight of the seniors within the system!
- To de - stress we have **kick boxing** sessions. We have **golf clubs** and **boxing gloves** too where the office premise is used as a golf course and colleagues as punching bags to help employees de-stress.

- Some also believe in taking **Power naps**, however we don't know if they are really useful!
- Then we have our annual **MADISON WORLD CUP** for football wherein all units compete for the coveted MADISON cup. Last year saw our PR team winning the Cup.
- We also like to **challenge our employees intellectually** by doing **Brawls**- a debate session where teams have to argue against their job function. We sometimes also have **Role reversal** for a day.
- We have a **Lateral Thinking Contest of the day** to test and stimulate the IQ of our employees.

Last but not the least, we believe in **FUNGAMA beyond MADISON** and force people to leave office by 8pm to continue the 'Fungama' beyond work. Lights are switched off at 8 pm to discourage people from staying back late in the office.

So, do you think you would like to be a part of this Mad World??
