

Testimonials

Mr. Rahul Agrawal-CEO –West2India

“The look & feel of the store is completely different from other stores .It is a quite appealing and pleasant experience for the customer. They are comfortable with the space and design and are able to browse comfortably. The sales target has been reasonably achieved. Collaterals such as shopping bags are quite attractive and also the store communication is at the right place.

The Cash Desk design is quite comfortable. The best element about the store is the mood windows it has been designed beautifully and gives attraction to the store.”
